Astudiodd Ned Pugh gwrs BTEC Lefel 3 mewn Peirianeg Uwch ym Mhwlheli ac mae wedi mynd yn ei flaen i ddilyn prentisiaeth gyda Chyngor Gwynedd eleni. Tra'n y coleg, enillodd Ned wobwr Gwella Rhifedd Ariannol gan Gwmni Anrhydeddus Lifrau Cymru (WLCOW) yn ogystal â gwobr 'myfyriwr Peirianeg Coleg Meirion-Dwyfor y flwyddyn'. Dyma oedd gan Ned i'w ddweud am ei gyfnod yn y coleg:

"Dw i wedi mwynhau fy nhaith hyd yn hyn. Mae'r staff yng Ngholeg Meirion-Dwyfor wedi bod yn gefnogol iawn. Mae fy sgiliau peirianeg a fy hyder wedi datblygu bob cam o'r ffordd."

Ned Pugh studied a BTEC Level 3 course in Advanced Engineering in Pwllheli and is now following an apprenticeship with Gwynedd Council. Whilst at the college Ned received The Worshipful Livery Company of Wales (WLCOW) Financial Numeracy Improvement Award as well as 'Coleg Meirion-Dwyfor's Engineering student of the year award'. This is what Ned had to say about his time at college:

"I've enjoyed my journey so far. The staff at Coleg Meirion-Dwyfor have been very supportive. My engineering skills and confidence have developed every step of the way."

We will offer Welsh in an extra column if the numbers allow.

Cafodd Gwenllian Jones o Nefyn A* mewn Bioleg ac A mewn Cemeg a Ffiseg. Mae Gwenllian yn mynd i Brifysgol Bryste i astudio Biocemeg.

Dywedodd: "Mi wnes i fwynhau astudio gwyddoniaeth yng Ngholeg Meirion-Dwyfor. Roedd brwdfrydedd fy narlithwyr dros eu pynciau'n amlwg ac roedd eu gwersi'n ddiddorol iawn. Mae'r labordai'n fodern ac mi wnaeth y gwaith ymarferol roedden ni'n ei wneud ynddynt danio fy niddordeb mewn Biocemeg."

Gwenllian Jones, from Nefyn, achieved an impressive A* in Biology, and an A grade in both Chemistry and Physics. Gwenllian is going to Bristol University to study Biochemistry.

She said: "I really enjoyed studying the sciences at Coleg Meirion-Dwyfor. My lecturers' enthusiasm for their subjects was evident, making their lessons engaging. The laboratories are well equipped with modern facilities and the practical lab work in particular sparked my interest in the field of Biochemistry."
