

LIFELONG LEARNING AND PART-TIME COURSES

Conwy & Denbighshire

January 2025

Welcome

Our Lifelong Learning & Part-time Courses guide provides information on the wide range of courses starting from January.

It's never too late to return to education - so if you are looking to improve your career prospects, want to brush up on your English and Maths, or you want to learn a new skill in a friendly environment, we have a course for you.

Whatever your goals, our friendly Learner Services Teams are here to help you make your choice.

How to Apply

Many of our courses do not require any previous qualifications or experience, so you can apply directly through our website - www.gllm.ac.uk

For more information on how to apply, visit: www.gllm.ac.uk/how-to-apply/part-time

If you need more support in choosing the right course or making an application, you can phone, email or call into one of our campuses and one of our Learner Services Team will be able to help you.

Some courses require an interview - these are highlighted in the 'Int' column. For many courses, the interview will be very informal, often requiring no more than a brief telephone call.

Correspondence is welcomed in Welsh or English and will be replied to within the same timescale.
